A guide to provisioning

The following form allows you to order some provisioning for your cruise; the objective is to save your time locating all your groceries when you arrive.

Recommendations

- At certain times of the year it can be hot, on average 1 litre of water per person per day is a good guideline to work on.
- Please bear in mind that goods will not stay fresh indefinitely and that the fridges are run from the battery and do not take to being jammed packed full.
- On some boats there are small ice compartments in the fridges for Ice only.
- More goods can be bought on route and of course you can always visit the local restaurants that you will encounter during the cruise.
- Any provisioning packs ordered will be on board for your arrival.

Important Note

- This form should be completed and returned to us no later than 14 days prior to departure.
- Prices are correct at the time of print, but may be subject to change without notice.
- All payments should be made locally upon your arrival by credit card or local currency.
- Local supermarkets are open between 9am to 6pm and closed on Sundays. We strongly recommend that if you are arriving on a Sunday you preorder provisions or bring the basic supplies to last you until Monday.
